US Export Control Statement

To Whom It May Concern

RE: ECCN Listing Regulation

Ref: www.gpo.gov/bis/ear/ear_data.html

Item 774 Export Control #8A001 is the only listing which relates to our products. We have studied 8A001 item “f” which lists “Surface Effect Vessels (Fully Skirted Variety)”. This categorizes our product explicitly.

The law states that if “all” of the following f1, f2 and f3 apply to our product(s) or any product(s) we have ever made then export restrictions my apply.

As none of these conditions apply to our products (Hovercraft or Air Cushion Vessels) there is no basis for any restriction on the export of light hovercraft for pleasure or rescue purposes.
